We goofed.

We hate making mistakes, particularly when they lead to you making a mistake. We scrupulously edit all our patterns, but when an inaccuracy does slip through we post a correction as quickly as possible.

Corrections for this book have been compiled in this PDF. Any pages with errors have been completely redesigned; you can print and then insert the corrected pages in your copy of the book. If we’re aware of an error, we fix it before reprinting a book, so your edition may already include these changes. Scroll to page 2 of this document to view the corrections.

The corrections listed here should allow you to complete your project with ease. If not, give us a call at 800-426-3126 and we’ll do our best to help. And again, many apologies for the error.
Materials

Yardage is based on 42”-wide fabric unless otherwise noted.

- 40 squares, 5” x 5”, of assorted bright prints for blocks
- 2 yards of white solid for block background, pieced sashing, and inner border
- 1½ yards of floral for outer border
- ¾ yard of green solid for blocks
- 1 fat eighth (9” x 21”) each of blue, pink, red, and yellow solids for pieced sashing
- ½ yard of cream-and-green diagonal stripe for binding
- 3¾ yards of fabric for backing
- 62” x 72” piece of batting

Cutting

From the assorted bright squares, cut a total of:
- 80 rectangles, 2½” x 4½”

From the white solid, cut:
- 31 rectangles, 2½” x 8½”
- 40 squares, 2¾” x 2¾”
- 160 squares, 2½” x 2½”
- 4 strips, 1½” x 42”

From the green solid, cut:
- 40 squares, 2¾” x 2¾”
- 80 squares, 2½” x 2½”

From each of the blue, pink, red, and yellow solids, cut:
- 3 squares, 2½” x 2½” (12 total)
- 24 squares, 1½” x 1½” (96 total)

From the lengthwise grain of the floral, cut:
- 2 strips, 6½” x 54”
- 2 strips, 6½” x 56”

From the cream-and-green diagonal stripe, cut:
- 7 strips, 2½” x 42”

Making the Blocks

1. Sew a white 2½” square to each green 2½” square to make half-square-triangle units. The units should measure 2½” square. Make a total of 80 units.

2. Sew a green 2½” square and a white 2½” square to each bright print 2½” x 4½” rectangle to make a flying-geese unit. The unit should measure 2½” x 4½”. Make a total of 80 units.

3. Sew a white 2½” square to a half-square-triangle unit as shown. Press the seam allowances toward the green triangle. Sew the pieced unit to the top of
